Report:

VIVA Institute of Pharmacy celebrated "World Saree Day" on December 21, 2023, with great enthusiasm. The event aimed to promote and celebrate the rich cultural heritage of sarees while fostering a sense of unity among the female faculties of the institute. The primary objective of the celebration was to embrace and showcase the elegance of sarees, symbolizing the cultural diversity and traditional attire of Indian women. All female teaching and non-teaching staff actively participated in the event by adorning themselves in a stunning array of sarees, representing various regions and weaving traditions. The campus came alive with a vibrant display of colors and fabrics. A dedicated photography session allowed the participants to capture the beauty of the moment. The celebration was marked by inclusive participation, with both teaching and non-teaching female staff actively engaging in the event. The response to the World Saree Day celebration was overwhelmingly positive. Participants expressed joy in embracing the traditional attire, noting that the event helped them reconnect with their cultural roots, sense of unity and mutual appreciation. Such celebrations contribute to the holistic development and cultural enrichment of our academic community.

We extend our gratitude to all the faculty members who actively participated in the event, making it a memorable and visually delightful celebration
