## **TECH-CRUNCH** **On national Science day**

<b>Date of event</b>	27 <sup>th</sup> and 28 <sup>th</sup> February 24
<b>Time of event</b>	9.30 am onwards
<b>Collaboration with</b>	H. K. College of Pharmacy under IQAC of VIVA
<b>No of Students participants</b>	60
<b>Venue</b>	H.K. Auditorium, 4 <sup>th</sup> Floor

National Science Day commemorates the discovery of the Raman Effect by Dr C.V. Raman, for which he won the Nobel Prize in Physics. The National Council for Science and Technology Communication (NCSTC) put forward a proposal for the National Science Day to be celebrated on 28<sup>th</sup> February every year to pay tribute to this achievement. Following this, the Government of India accepted the proposal. Every year, on this particular day, the Government of India felicitates scientists from various fields for their valuable contribution to science.

### **Objectives:**

1. To increase awareness among people about the importance of science and technology in their lives.
2. To recognize and appreciate all scientific activities, efforts, and achievements.
3. To promote and nourish interest in science and technology.

### **Details of The Event:**

On 27/02/2024 & 28/02/2024 H. K. College of Pharmacy's Science, Technology and Research Promotion Committee along with Institution's Innovation Council in collaboration with **IQAC of VIVA college of pharmacy organized** an Inter collegiate event '*ECH CRMCH 2024*'. **Key Highlights of the National Science Day 2024:** 'TECG-CRUNCH' was inaugurated by Ribbon cutting ceremony at Auditorium on Tuesday in view of National Science Day 2024 at 10:30am. Dr. Tushar Lokhande, Principal of H.K. College of Pharmacy & Dr. Sunita Ogale, Principal of VIVA Institute of Pharmacy.

The event was graced by the presence of all faculties of H.K. College of Pharmacy and all Third-Year students and members of Science, Technology & Research Promotion committee.

Ms. Walia Khan with Mr. Anurag Rane of Third year students started the event. She welcomed the gathering and shared the significance of the National Science Day. The event was started by lamp lighting and worshipping Maa Saraswati.

Dr. Tushar Lokhande, Principal, delivered presidential address, welcomed the gathering and extended his greetings and also insisted the students to involve in scientific activities

The keynote address was delivered by Dr. Pramod Nair, Manager ACG Capsule. He encouraged and motivated students to take up challenges and put efforts to achieve excellence in their life. Dr. Sunita Ogale emphasized the need to go beyond textbooks and imbibe the knowledge from all the spheres for the overall development of any pharmacist.

Dr. M.N, Saraf delivered his speech to the students about how to find a sustainable way of Development leading to Global wellbeing. He also delivered various interesting facts about penicillin and science. These facts were really fascinating.

The Science Day programme included in an Inaugural ceremony, Science projects poster presentation, an interactive Debate, just a minute and Shark tank, Quiz competitions. More than 60 students participated in all events. Students were shown their creative ideas and knowledge in posters and models. Fresh ideas in a competition got opportunity to win prizes in the occasion.

Students came out with many innovative ideas and market friendly solutions to address various issues pertaining to Science and Pharmaceutical Technology. Poster Presentation and Shark Tank events have been videotaped for submitting to “Yukti” for possible funding of these research projects.
