

#### **PRESIDENT'S MESSAGE:**

It has been 25 years since VIVA came into being. Appreciating the importance of education in nation building, we began with the primary school in the year 1989 and Junior college in 1991. And, from the academic year 2000-01 extended our vision to provide Degree College education Over the years, VIVA has evolved and expanded from what it was years back so as to cater to the rising need of the time. Today, VIVA is providing education to over 33000 students. To put it simple, foundations of VIVA are strong, with a vision that VIVA fosters strong Values, providing an environment for Innovation, to emerge out as victorious, and further to aspire for the well-being of all the stakeholders of the society. Our consistent focus is on development of the required competence among our students in order to be one of the finest resource centers to the industry. VIVA CAMPUS provides an environment that helps them decisively to think in a broader perspective.

#### **PRINCIPAL'S MESSAGE:**

VIVA INSTITUTE OF PHARMACY established in the year 2009, nurtures a unique system of pharmacy education for creating dynamic leaders in the pharmaceutical sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and nation at large.

It has an aesthetically designed and elegantly built campus, furnished with required equipments and facilities prescribed by Pharmacy Council of India. Here, education is not only focusing on degree program but also creating for the students a platform to realize their dreams, hone their cognition, sharpen their competence & carve out a wholesome personality. We believe in empowering our young students through rigorous curriculum, project assignments, mentor system, and strong industrial interface. The accomplished team of professors groom and guide students to the best of their capacity, by working most diligently towards synergizing theoretical knowledge and practical skills to promote all round professional competence. Value based education approach is adopted for instilling principles and exemplary standards of discipline amongst our students through an organized structure to produce professionals through global excellence. Our graduating students do contribute in many ways for development of our college. We always appreciate their insights, criticisms & suggestions.
