ANNUAL REPORT 2021-22

The year 2021-22 has proven to be another exceptional year for our college. The institute got approval for intake of 100 students from current year. This year has been a full of achievements and excellence year for our students as well as our staff members. Here are some highlights and key achievements of the past year 2021-22.

Various webinars arranged in the year are

1. World Environment Day celebration

Date: 5-06-2021 By, Dr. NSS Unit, VIP

The World Environment Day was celebrated by NSS Unit of VIVA Institute of Pharmacy, Virar (E), on 05th June, 2021 to spread awareness and encourage people to make their nearby surrounding safe and clean to enjoy safer, cleaner and more prosperous future. The volunteers of NSS conducted a general awareness quiz on 'Environment' via Google quiz forms online. 290 candidates including students, teachers, nonteaching staff and others participated and received the participation certificate not only from Maharashtra but from Uttar Pradesh, Madhya Pradesh, Chhattisgarh, Haryana, Puducherry and many more.

Many of the volunteers have also planted the saplings on account of Environment Day. This is how environment day 2021 was celebrated following all the guidelines of covid-19 pandemic.

2. Better Understanding on GPAT and Insight on How to Prepare For it

Date: 23 May 2021

- 1) Miss Sampada Tamhankar, B. Pharm, Pursuing Masters in Pharmacy in Biotechnology from NIPER Mohali
- 2) Mr Vimal Rupareliya, B. Pharm, Preparing for NIPER (GPAT21 - AIR 33)

The Webinar was arranged by VIVA Institute of Pharmacy, Virar E, in association with ASPIRE CLUB. The speakers told us about their journey in VIP and how they prepared for the GPAT exam and how they cracked the GPAT and NIPER exam and which books they referred and what strategy they referred. They shared their future goals and solved queries asked by the students. The Webinar was arranged for 1st and 2nd year students of B Pharmacy so that the students can be inspired by the stories of seniors and try to achieve their goals. The speakers talked to the students about their whole B. Pharm journey and there was interactive session held by the faculty member Dr Kamlesh Soni sir and Vishal Mardhekar Sir and The guest speakers. Total 80 candidates attended this informative webinar (Students and faculties included).

Webinar started with speech by Dr Sunita Ogale ma'am, Principal of VIVA Institute of Pharmacy. Which was further proceeded by Dr Kamlesh Soni sir, Professor at VIVA institute of pharmacy Followed by Mr Vishal Mardhekar Sir, Faculty Member at VIVA institute of pharmacy All the faculties of VIVA Institute of Pharmacy, took an effort to make the programme very successful.

Webinar ended with a vote of thanks by Ms Anushka Kumbhar, 1st year B. Pharmacy, VIVA Institute of pharmacy Virar.

3. Topic: Soft Skill- A key to Success in Life

Date: 02-07-2021, Time: 10:00 to 12:00 PM

Speaker: Mr. J. C. Saigal

A Webinar on Soft Skill- A key to Success in Life was arranged by VIVA Institute of Pharmacy, Virar (E). Mr. J. C. Saigal, a veteran of the Pharma industry having an extensive experience of over 45 years was invited as speaker. The speaker explained the importance of soft skills, skill improvement, critical thinking, time management, risk taking and negotiation. The webinar was specially arranged for all students of B. Pharmacy for skill development. An overwhelming response was seen from the students' side and after a few days after the webinar students implemented the learnings from this webinar by forming a student's development program. It was a very effective webinar for overall personality development

4. Topic – Celebration of Guru Purnima

Date – 23/07/2021, Time – 4:00 to 6:00 PM, Venue – Microsoft teams

Purnima is one such day when the Guru or teacher is worshipped for the worthy have done for their disciples. Guru Purnima celebration in college is something to be seen but due to this pandemic, the students gathered at Microsoft teams which were arranged by the student's council rather than gathering at class or hall of the college. The online programme was started by wishing all teachers Happy Guru Purnima, where Ankita and Esha were the hosts for the day. Further, Anushka Kumbhar first year gave

speech about importance of Guru. The poem related to guru was presented by Council member written by Dr. Namrata. The council collected the photos of teachers during their college life and made the video under the song “Man Udhyan Varyache”. Faculty members of college had given speech where they thanked everyone who arranged the programme. Next the video was played where photos of all the teachers and students were put together under the poem written by Swapnil Jude dedicated to teachers by final year students and was recited by Anuja Bhoir. The alumni of college Kunal Utekar gave vote of thanks. Last but not the least; Principal Dr. Sunita Ogale gave message regarding Guru and Shishya relation. The programme ended by good memories to the entire Gurus of the college.

5. Topic: Campus to Corporate

Date: 31/07/2021, Time: 11:00 to 01:00 PM, Venue: Google Meet

Speaker: Dr Prasad Bhagwat, Industry Institute Interaction and Placement; Shree Santkrupa Institute of Engineering and Technology, Ghogaon.

The webinar was arranged by VIVA Institute of Pharmacy, Virar (E) for the final year student. This webinar was started by Mrs. Sushruta Mulay as she was host for the day. Swarali Patil the student of final year had welcomed speech and information regarding the speaker for the day. The speaker Prasad Bhagwat started by thanking everyone for inviting him to institute. The speaker shared the knowledge about self-awareness; essential qualities needed in person for interview; way of appearance, how to enter, seat and exit before interviewer. He also covered points of interaction with interviewer, frequently asked question in interview, challenges faced by freshers in corporate world, attitude needed for it etc. The entire faculty took lot of effort to make programme very successful. Webinar ended with vote of thanks by Dr. Sanghadeep Gajbhiye (HOD), VIVA Institute of Pharmacy, Virar.

6. Standardization and Optimization of Herbal formulation

Venue-Google meet, Date-3 September 2021

Speaker – Dr. Vijay Gulkari (Associate Professor; Priyadarshini J L College of Pharmacy, Nagpur)

VIVA Institute of Pharmacy, Virar organised virtual webinar of standardization and optimization of herbal formulations. Prof. Sushruta Mulay started the webinar by hosting and welcoming everyone including the guest. Swarali Patil student of final year has introduced the speaker Dr. Vijay Gulkari to everyone by briefly explaining about him.

The speaker started his session by thanking everyone for calling him. He explained the process and scope of standardization and optimization in detail. He explained parameters like authentication, physical parameters, quantitative and qualitative analysis, microbiological contamination, pesticide residue, heavy metal analyse etc. in detail.

He ended his presentation by thanking everyone. Last but not the least Prof. Sushruta Mulay gave vote of thanks to him and the day ended by grasping great knowledge by him.

7. Teacher's Day Celebration

DATE: - 5/09/2021

Teachers' Day in India is celebrated on 5th September to commemorate the birth anniversary of Dr. Sarvapalli Radhakrishnan. He was a renowned scholar, recipient of Bharat Ratna, first Vice- President, and second President of independent India. Teacher's day celebration in college is something to be seen but due to this pandemic the students gathered at Google meet which is an online platform which was arranged by the student's council rather gathering at class or hall of college. The online programme was started by wishing all teachers happy teacher's day, where Ankita was the host for the day. Principal mam Dr. Sunita Ogale gave nice words about the teacher's day. "All are students.... Somehow or the other everyone is learning in their lifeSo we can't define who the teacher is.". These were the nice and inspirational words by the mam. Further, Anushka Kumbhar from second year started an interesting quiz game for all facilities. Sushruta mam won the quiz and Dr. Kamlesh Soni sir stood second. All Faculty members of college enjoyed the quiz. Next the video was played which was made by second year student Lavish Parmar where the importance of teachers and Guru's was mentioned. The second-year student Yashika Anil gave the vote of thanks. The programme ended by good memories to the entire Gurus of the college!

Sr. No	Prizes – Teachers Day Quiz
First	Sushruta Mulay
Second	Dr. Kamlesh Soni
Third	Dr. Sanghdeep Gajbhiye

8. Topic- STRATEGY FOR GPAT AND NIPER PREPARATION with demo lecture of each subject.

Date: 18/09/2021, Time- 5.30 to 6.30 pm

Speaker: Dharmesh Mehta- B. Pharm, M. Pharm,

Founder- Pharmaelite

The Webinar was arranged by VIVA Institute of Pharmacy, Virar (East) in association with Pharmaelite on You tube platform. The speaker collaborated on importance of GPAT and NIPER exams and discussed about various year cut offs in GPAT and NIPER and various strategies to qualify GPAT and NIPER exam. Also discussed on various methods on how to study, what and from where to study etc. and shared various concepts related to various subjects which may help students to qualify GPAT and NIPER exam. The speaker also highlighted strategies to be followed during exam on how to view question paper during exam and make a way out of it. Around 35 to 40 students joined for the webinar. The speaker and our students of Viva Institute of Pharmacy made the session very interesting and interactive. At the end the speaker gave some suggestions to our students to watch interview videos of some qualified toppers of GPAT and NIPER so they can get some information about it.

9. Topic - Pharmacy week

Date - 24th to 26th September 2021

Venue – Google meet

Pharmacy week has been celebrated in the VIVA Institute of Pharmacy. World pharmacist day is celebrated on 25th September. The college decided to celebrate this day by having various events in the college through the virtual model by using the platform of Google meet. These events were celebrated for three days 24th, 25th, and 26th September. The theme for this week is “Pharmacy: Always trusted for your health” developed by FIP.

The 1st day was started with the inauguration session which was hosted by Prof. Sushruta Mulay. The welcome speech was given by Prof. Vishakha Thakur and then the schedule for the 3 days was explained by the general secretary of the student council. The events conducted were “Ask Your Grandma”, “Pharma housie”, “Unscramble the Scramble”, “Pharma Heist”, “Product Advertisement”, “Meme-O-Pharma”, “War Of Words”, and “Poster Presentation”. On the 1st-day “Pharma Heist-round 1”, “Ask Your Grandma”, “Unscramble the Scramble” was conducted through Google meet. The google form links were also opened for “Meme-O-Pharma”, “Product Advertisement”, and “Poster Presentation”.

On The 2nd-day “Pharma Heist-round 2” and “Pharma Housie” were conducted and the google form were closed for “Meme-O-Pharma”, “Product Advertisement”, and “Poster Presentation” after that sent for analysis of the result.

The 3rd and the last day was the last event “War of Words” i.e. debate completion was conducted. Last but not least the valedictory function was organized where Principal Dr Sunita Ogale explained the importance of pharmacy in the whole world. The results for all the events were announced by the host and a vote of thanks was given by Prof. Vishakha Thakur.

The teacher coordinators and student coordinators conducted this event very pleasantly and students participated with great enthusiasm. The students took away great knowledge through these events. As events were to test the pharmacy knowledge among the students. These 3 days were full of fun and gaining knowledge to a great extent so everyone enjoyed being part of this pharmacy week.

10. Topic- ‘Carotid Body: A Metabolic Regulator.

Date: 23/10/2021 **Time-** 10:30 am – 12:00 pm

Speaker: - Dr. Pratik Chandrakant Thakkar (Faculty of Medical and Health Science University of Auckland, New Zealand)

The Webinar was arranged by VIVA Institute of Pharmacy, Virar (East) conducted under IQAC on Google Meet platform. The speaker elaborated on Carotid Body structure, location, appearance, etc. Also discussed in detail about the functions of Carotid Body and its importance through various diagrams, graphs. Video was shown by the speaker which helps to understand the clinical studies which are carried out to explore carotid body. The speaker highlighted on past 10 years research which leads to immense growth in field of Carotid Body. Around 35 to 40 students joined for the webinar. The speaker and our students of Viva Institute of Pharmacy made the session very interesting and interactive. At the end of session speaker cleared the doubts of students and faculties regarding carotid body and future studies in foreign countries.

11. TOPIC: " Career avenues in Clinical Trials and Drug Development Services Industry".

DATE: 2/11/2021, **TIME:** 11.00 TO 12.00 AM, **VENUE:** GOOGLE MEET

Clinical trials are research studies performed on people that are aimed at evaluating a medical, surgical, or behavioral intervention. They are the primary way that researchers find out if a new treatment, like a new drug or diet, or medical device (for example, a pacemaker) is safe and effective in people. Often a clinical trial is used to learn if a new treatment is more effective and/or has less harmful side effects than the standard treatment. So, to give brief information about the same VIVA INSTITUTE OF PHARMACY organized a special seminar on Clinical trials under the guidance of Mrs. Neha Laxane & Ms. Vishakha Thakur with chief guests as D Nageshwara Rao (managing director) and Nakshatra Vinod (director operation) Bhagyashree Borkar in association with THE WHITEBOARD. Ms. Vishakha Thakur ma'am started the meeting session with words of greetings on behalf of VIVA INSTITUTE OF PHARMACY. Then D Nageshwara Rao started the meeting by giving brief information about THE WHITEBOARD training and recruitment services about clinical trials and

pharmacovigilance program and industrial reach of same. Then the words of guidance were started with Nakshatra Vinod about career opportunities, different avenues & the right approach towards industrial opportunities, the importance of communication by learning new skills, and developing soft skills. Different types of clinical trials and their phases, general protocol to follow, collection of data, SAS programming, research methodology, and all essential information was perfectly explained by the Nakshatra Reshu mam.

In end, the Mrs. Neha Laxane mam appreciates the Nobel speakers and gave the vote of thanks on behalf of VIVA INSTITUTE OF PHARMACY.

It brought many visions and goal opportunities towards students in the pharma sector to grow and evaluate the new opportunities in clinical trials

12. Webinar: Sustained and Controlled Drug Delivery

Venue - Google meet, Date-22nd January 2022, Time- 10:00 am to 11:00 am

Speaker – Mr. Vishvesh Kanabar (Associate Professor, R.K. University, Rajkot)

VIVA Institute of Pharmacy, Virar coordinated a virtual webinar on Sustained and controlled drug delivery. Assistant Prof. Sushruta Mulay began the webinar by facilitating and welcoming everybody including Mr. Vishvesh Kanabar the speaker. Swarali Patil student of the conclusive year has introduced the speaker with everybody by briefly explaining about him. The speaker began his session by saying thanks to everybody for calling him. He clarified the importance of sustained and controlled drug delivery in detail. He also explained the difference between both. He enlightened the knowledge regarding reservoir devices, matrix devices etc. in detail. He finished his session by saying thanks to everybody. Last but not least Prof. Sushruta Mulay gave the statement of gratitude to him and the day finished by getting a handle on incredible information by him.

13. Webinar: Fundamentals of Dissolution Testing

Venue - Google meet, Date-29nd January 2022, Time- 10:00 am to 12:00 am

Speaker – Mr. Salunkhe, Mr. Suhas Yeole, Sotax India Ltd

VIVA Institute of Pharmacy, Virar coordinated a virtual webinar of Fundamentals of dissolution testing. Prof. Sushruta Mulay began the webinar by facilitating and welcoming the speakers. Dr. Jineet Gawad introduced the speakers to everybody by briefly explaining about him.

The speaker began his session by saying thanks to everybody for calling him. The first speaker explained about fundamentals principles of dissolution testing and various types of dissolution testing apparatus and importance of them. Second speaker Mr. Suhas Yeole explained Flow through cell

Dissolution Apparatus 4. Its use in dissolution testing of poorly soluble drugs, liposomes, Microspheres, Parenteral Emulsions etc. He finished his session by saying thanks to everybody. Last but not least Prof. Sushruta Mulay gave the statement of gratitude to him and the day finished by getting a handle on incredible information by him.

14. Topic: Orientation Programme Academic Year 2021-22

Date: 05-02-2022, Time: 10:00 AM to 11:30 AM

18. Report: Industrial Visit to Korten Pharmaceuticals

Date- 14th May 2022

Venue- Korten Pharmaceuticals, Palghar

The final year students of Viva Institute of Pharmacy visited industry-Korten Pharmaceuticals, Palghar accompanied by, Mrs. Sushruta Mulay, Professor of Pharmaceutics, Dr. Vaishali Shah, Professor of Pharmacognosy. Korten Pharmaceuticals is a major industry in the production of parenteral, nasal drops, and eye drops.

The students were introduced to HVAC (Heating Ventilation Air Conditioning) consisting of AHU (Air Handling Unit) responsible for circulation and distribution of air in the plant. Steps in purification of water such as de-ionization, ultrafiltration were also seen. Various sections visited were parenteral preparation area, quality control Area, Sterilization area, filling and sealing area, packaging and labelling areas etc. Students got to know there are two ways to prepare parenteral in this industry, first is in aseptic condition and second is terminal sterilization. A separate section of nasal drops packaging, filling, sealing etc was seen. The students also learnt about the raw material storage area and the role of QA and QC in their sampling and approval. Evaluation of ampoules for particulate matter is done with 3 different methods in the industry which was shown by the staff. Overall, this visit was a chance for the students to get a hands-on information about the general working of the parenteral industry.
