Introduction of the College

Vishnu Waman Thakur Charitable Trust, established in 1988 under the leadership of Honorable President Shri. Hitendra Thakur (MLA of Vasai) is committed to enhancing the educational, medical, and social well-being of the remote Vasai-Virar area, located 60 km north of Mumbai. The Trust's educational endeavors include approximately 40,000 students availing different disciplines in education viz... VIVA Institute of Technology, VIVA School of MCA, VIVA Institute of Management & Research, VIVA Institute of Applied Art, VIVA School of Architecture and VIVA Institute of Pharmacy (VIP) founded in 2010.

Establishment year of the Institute: 2010

About the College

VIVA Institute of Pharmacy (VIP) nestled in the serene Shirgaon campus, is approved by PCI, AICTE, DTE and affiliated with the University of Mumbai. It boasts state-of-the-art infrastructure, proficient faculty, advanced laboratories, a well-stocked library, and an array of extracurricular activities.

Vision

To evolve as a leading learning institute with essential, skillful and value based education by providing a conducive environment to uplift the full potential of curious minds.

Mission

1. To provide high standards of pharmacy education through excellent resources, professional collaborations and ethical values.
2. To Foster Academic and research domain amongst students and staff members.
3. To encourage students to face the challenges for a Professional career in Pharmacy.
4. To create a dynamic Pharmacist to marshal the expanding needs of the pharmaceutical and healthcare industry for the benefit of society.

Courses taught and total strength of students

Bachelor of Pharmacy (4 Years) course Approved by PCI, DTE (Government of Maharashtra) and affiliated to University of Mumbai, with intake of 100 seats and additional EWS and TFWS quota, provides a competitive learning environment.

Need For Gender Audit

- To find out gender balance in the institution.
- To take active steps in curbing gender related issues.
- To promote gender equality.

Best Practices About Gender Sensitivity

Best Practice 1

1. Equivalent Opportunities to all

The college supports and fosters involvement in extracurricular and curricular activities for all students. So, that they can build on their strengths and overcome their flaws in an environment that is conducive to their holistic growth and development. Through the numerous educational resources available to them as well as the social and cultural events put on by the institution's numerous groups, students can share knowledge with one another. There is no gender prejudice at all, and it has been seen that Institute women frequently take the initiative and give their team's chances to carry out various competitions successfully.

Best Practice 2

1. Education and Training Programs:

Implement education and training programs on gender sensitivity for all members of the institute community. This can include workshops, seminars, and online courses designed to increase awareness and understanding of gender issues.

I have conducted a study of various activities organized by

VIVA Institute of Pharmacy, Virar (East)

during the period 2021 To 2022 in order to provide equal opportunities to its women students.

I conclude that the college has taken various initiatives to protect and promote the interests of its women students.

However, I suggest the following recommendations:

- a. Self Defense
- b. Prevention and Protection against sexual harassment
- c. Women related health issues
- d. Vocational courses suitable to women
- e. Laws enacted for the betterment of women
- f. Awareness on problems less discussed such as menstruation
