Organ & Body Donation Seminar Report

TOPIC : Organ & body donation

DATE : 17th August'2023 **TIME** : 10:00am onwards

VENUE : Auditorium, 4th floor, VIVA Technical Campus

SPEAKER : Mr. Purushottam Pawar, Founder & President, "The federation of organ & body donation", Mumbai.

CONVENER : DR. Sunita Ogale

The Workshop was oriented by our Principal Dr. Sunita Ogale and further coordinated by Prof. Vishakha Mithari, Prof. Kalpana Waikul, Prof. Akash Makwana & Dr. Jineet Gawad followed by student council. The topic of the seminar was "Organ & Body donation" & it was organized for all students & staffs (teaching & non-teaching). The host for the seminar was Ms. Sanika Khochare. & almost 160 delegates showed their active presence which made our seminar a grand success.

The event started with an inaugural ceremony by lighting of lamp followed by Saraswati Vandana sang by our office staff Mrs. Mugdha Pathak. The dignitaries were felicitated by our Principal which was followed by welcome speech & some illuminating information by her on Organ & body donation.

The session was conducted by Mr. Purushottam Pawar, Founder & President, "The federation of organ & body donation", Mumbai. The speaker started with the topic "DEATH" in a cheerful manner & indirectly brought us to a point where he emphasized on how important life is. He highlighted the importance of eye donation and how today's science and technology is developed that from one cornea they separate upper and lower part, and one cornea proves to be beneficial to 2 persons. The speaker also implicated about skin donation and how we can give a new life to fire burnt patients by donating our just 0.3mm skin after our death. The speaker also made us aware about blood donation and it's importance that how beneficial it is to one's ownself to donate blood.

The speaker made us aware about the fact that how we can be useful to 8-10 people by donating our organs & body even after death. He gifted his own published book i.e "Mahadaan" to our Principal. Overall session made us aware as an individual & importance of organ & body donation as our part to society. The session was concluded with a vote of thanks by Prof. Amol More & filling of feedback link by participants.
