Respected Sir,

Greetings from VIVA Institute of Pharmacy, Virar (E)

As part of curriculum, the students are required to take industrial visits to a few industries of repute. It is important as the students with academic background can have the glimpse of industry in order to obtain a better appreciation of practical application of theory.

Last year we have visited few pharmaceutical industries at Palghar and Boisar and it was a great learning experience for the students.

In the above background we would like to send a batch of about **Eighty Two students of First Year B. Pharmacy accompanied by two staff members to visit your esteemed industry as per your convenient schedule in First week (1st and 4th) of July 2023.**

I request you, kindly accord the necessary permission for the above visit.

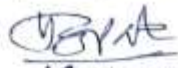

We shall be grateful for a favorable response.

Thanking You,

Yours Faithfully
