VIVA INSTITUTE OF PHARMACY
At. Shirgaon, Veer Sawarkar Road, Virar (E),
Taluka: Vasai, Dist. Palghar-401305, Maharashtra.

Name of the Event: **NIRMALYA DECOMPOSITION**
Date: 18-23-SEPT-2018
Time: 10:00 AM
Number of Volunteers: 18

Programme Summary/Details:

During the week of **September 18-23, 2018**, as part of our NSS (National Service Scheme) drive, NSS Unit of **VIVA Institute of Pharmacy**, undertook a project focused on **Nirmalya decomposition**, which was during the Ganesh festival. The aim of this event was to create awareness about pros of decomposition and reduce the pollution caused by dumping of organic things like flower garlands. This endeavor involved the dedicated efforts of 20 enthusiastic NSS volunteers who played a pivotal role in not only collecting the organic waste generated during the festival but also in digging the pit hole required for the decomposition process.

The collected organic waste was carefully placed in the pit and allowed to naturally decompose over time. This environmentally conscious approach not only reduced the environmental impact of the festival but also resulted in the creation of valuable organic manure, promoting sustainability and responsible waste management practices within our community
