Date: 26-NOV-2020

**Programme Summary/Details:**

On November 26, 2020, our educational institution marked Constitution Day with a vibrant celebration, emphasizing the significance of our nation's founding document. Students from diverse backgrounds came together to commemorate this day by reading the Preamble to the Constitution, which served as a powerful reminder of our shared values and democratic principles. The event was conducted virtually, fostering inclusivity during the challenging circumstances of the COVID-19 pandemic. In recognition of their active participation, students received e-certificates that not only acknowledged their commitment to upholding the ideals enshrined in our Constitution but also motivated them to remain engaged and informed citizens of our great nation. This Constitution Day celebration underscored the importance of civic education and the enduring relevance of our Constitution in shaping our collective future.
