Programme summary/Details:

On the morning of 9th May 2021, NSS Volunteers of VIVA Institute of Pharmacy were privileged to participate in a radio channel program that showcased the remarkable "Events and Activities" organized by NSS Mumbai in the West zone. The program aired on FM Gold Mumbai 100.1 MHz and was an insightful experience for our volunteers. We were instructed to download the Prasar Bharati News on Air App from the Google Play Store and select FM Mumbai. Listening to the program through Gold FM without headphones provided us with clear and high-quality audio. The broadcast covered a multitude of events conducted by NSS units across Mumbai during the challenging times of the Covid-19 pandemic. These events were not only centered around pandemic-related issues but also encompassed critical topics such as mental health, vaccination protocols, and awareness programs. The speaker's praise for these initiatives served as a nostalgic and motivating moment for all the volunteers in attendance.
