Seminar on “**Scientific writing Skills**” was planned and arranged for the students of B. Pharmacy with the support of Dr. Sunita Ogale, Principal and Dr. Sanghdeep Gajbhiye, Head of Department. The seminar was delivered by Dr.Bandoo Chatale, Assistant Professor at MET Institute of Pharmacy (Degree), Mumbai

Following points were explained during the seminar:

- A seminar on "Empowering Research Harnessing Artificial Intelligence for Scientific Writing Excellence" was conducted by Mr. Bandoo Chalake Sir, focusing on the significant role of Artificial Intelligence (AI) in advancing scientific research and academic writing on 04 November 2025.
- He explained how AI tools like ChatGPT and Grammarly assist in literature review, plagiarism checking, and improving the quality of scientific papers. The session also highlighted the importance of using AI ethically while maintaining originality and critical thinking.
- It was an informative and engaging seminar that helped participants understand how to effectively utilize AI to achieve excellence in scientific research and writing.
- Seminar ended with Vote of thanks and Questions and answers session.
