<b>No. of Participant/ Students present</b>	90 (05 Faculties and 85 students)
<b>Mode</b>	Offline
<b>Venue</b>	Primary School Raipada Virar (East)-401305

On 21<sup>st</sup> August 2024, **The Institution’s Innovation Council** of VIVA Institute of Pharmacy was organized **“Innovation & Entrepreneurship Outreach Program in School/Community”**. The session was delivered by Ms. Rashmi N. Joshi, Environment Consultant. The session was planned and arranged with the support of Dr. Sunita Ogale, Principal and Dr. Sanghadeep Gajbhiye, Head of Department. The session was conducted in offline mode in Primary School Raipada Virar (East)-401305 and was attended by 90 participants.

**Objective of the workshop:**

The objective of this session is to inspire and educate young students about the world of innovation and entrepreneurship.

**Benefits in Terms of Learning, Skills & Knowledge:**

Enhanced entrepreneurial skills, networking with experts, incubation support, fostering innovation mindset, job creation, economic growth, sustainable ventures, long-term impact, personal growth, community development.

The Innovation & Entrepreneurship Outreach Program organized a successful visit to a primary school, where we aimed to introduce the exciting world of innovation and entrepreneurship to school students. The highlights of the program were :

**Inspiring Presentations:** The program started with inspiring presentations. This motivated the students to dream big and believe in their own potential.

**Interactive Workshops:** Seed ball making workshops were conducted to introduce students about innovation. Through group activities and brainstorming sessions, they learned about idea generation, problem-solving, and the importance of innovation in today's world.

Overall, the Innovation & Entrepreneurship Outreach Program at the school had a profound impact on the students, igniting their passion for entrepreneurship and instilling a sense of self-belief. By introducing them to the world of innovation and entrepreneurship at a young age, we hope to shape a generation of creative thinkers, problem solvers, and change makers who will contribute positively to society's growth and progress.

Vote of thanks was given by Mrs. Shikha Shukla, IIC Co-ordinator, VIVA Institute of Pharmacy.
