19 JUL 2019

To,
Ms. Tanvi Pingale
Research Scholar,
SVKM's NMIMS
SPP School of Pharmacy & Technology Management
Mumbai

This is with reference to your application dated July 08, 2019 for approval of the topic of thesis and subsequent registration for Ph.D. degree course in Pharmaceutical Sciences under the provision of SVKM's NMIMS.

In this regard, I am pleased to inform you that the Research and Recognition Committee at its meeting held on July 12, 2019 has approved your outline of the topic: "Screening of Formononetin and Oleanolic acid for Management of Parkinson's Disease". You are permitted to register for Ph.D. degree in Pharmaceutical Sciences under the supervision of Dr. G. L. Gupta with effect from July 12, 2019.

The suggestions by RRC are as below:

- To evaluate the influence of formononetin and oleanolic acid in Parkinson's Disease.
- Screening of formononetin and oleanolic acid on cognitive impairment in Parkinson's Disease.
- To evaluate the influence of formononetin and oleanolic acid on chronic unpredictable stress in Parkinson's Disease"

You should submit a copy of your publication which you have already communicated, once it is published in the journal.

As a regular practice, you have to keep day to day record of your research data signed weekly by your guide.

You are instructed to submit hard & soft copy of progress report, duly signed by the guide, once in every six months from the date of registration, to the Dean's office. Failure to do so will conclude that you are not interested in continuing Ph. D. research.

All other rules are as per the guidelines issued by the University for Ph.D. programme in Pharmaceutical Sciences and shall be binding on you for all related matters.
