Date: October 21, 2022

Program Summary/Detail:

On October 21, 2022, the NSS unit of VIVA Institute of Pharmacy and Technology organized a significant Cleanliness Drive as part of the Clean India 2.0 campaign. The significance of a clean and green environment in sustainable development is widely recognized as unhygienic surroundings and improper waste disposal lead to various diseases. While individuals prioritize cleanliness in their homes, they often neglect their responsibility for the broader environment. This negligence can result from ignorance, laziness, or irresponsibility. Volunteers began by gathering plastic within the college premises, educating their peers about waste segregation and reducing plastic usage. Subsequently, they extended their efforts to Khumbharpada and Shirgaon Villages, engaging with locals and collecting plastic along the way.

NSS SPECIAL CAMP

Programme Summary/Details:
2022-23

The NSS residential camp of VIVA Institute of Pharmacy took place at Makwana Farm house, village Bhatane, Palghar, from February 4th to February 10th , under the guidance of Programme Officer,Prof. Sachinkumar Pandey. The camp commenced with an inauguration ceremony that included respected members such as the Sarpanch of the village, Program Officer, College faculties and other esteemed members.

As part of Shramdaan, drawing Competition was conducted in Zila Parishad school, fostering creativity and artistry. Prizes were awarded to the talented winners, encouraging their artistic pursuits. The camp also emphasized team building through a series of engaging games, reinforcing the importance of cooperation and unity. As part of their outreach, the volunteers visited an orphanage in Thalacha Pada, where they interacted with the children, played games, and taught them craft activities. This gesture of kindness and mentorship left a lasting impact on both the volunteers and the children. A rally was conducted within the village to convey essential messages, including the prohibition of plastic use, the importance of cleanliness, and the development of the country, instilling a sense of civic responsibility in the community.

Guest lectures were a valuable component of the camp, addressing critical issues. Mr. Milind Patil shared insights on 'Nasha Mukti,' while Mr. Jagdish Sansari guided the volunteers on how to perform impactful street plays. Mrs. Deepa Dalvi, the District Coordinator of the camp, provided valuable guidance on the significance of NSS camps and their enduring benefits. A guest lecture on food adulteration by Shri. Gajanan Patil, served to raise awareness about the quality of food consumed by the community. The Principal of VIVA Institute of Pharmacy also graced the camp with a visit, fostering an interactive session with all the dedicated volunteers.

One of the highlights of the camp was the performance of street plays at Navsai, spreading vital messages through the medium of art. Various competitions were organized for the children, adding an element of fun and learning. The campfire, lit with candles, illuminated the spirit of unity, and a creative map of India was prepared, symbolizing the commitment to the nation.

In conclusion, the NSS residential camp at Bhatane Village was a remarkable journey of self-discovery, community engagement, and the nurturing of important skills and values among the volunteers. It underscored the transformative power of service and education, leaving an indelible mark on both the participants and the community they served.

Date: March 8, 2022

Program Summery/Details

On March 8, 2022, the National Service Scheme (NSS) unit of VIVA Institute of Pharmacy and Technology, in collaboration with the Women's Cell Development, orchestrated a remarkable Sanitary Pad Donation Campaign. The primary aim of this event was to raise awareness about the female menstruation cycle and break the silence surrounding this societal taboo, while also providing much-needed sanitary products. The NSS unit of our institution successfully collected numerous packets of sanitary pads through the generous contributions of both students and faculty members. These sanitary pads were then compassionately distributed to the women of Kumbharpada Village in Shirgaon (Virar East) on the occasion of International Women's Day. Moreover, the dedicated volunteers engaged in enlightening discussions with the village women, addressing the stigma surrounding menstruation and educating them on the importance of menstrual hygiene. Their proactive involvement was widely appreciated, marking the event as a resounding success.

The NSS unit, comprising 50 members, collected a substantial number of old clothes, filling three large boxes with clothing items for both men and women. These clothes were categorized into batches for children, males, and females. Student groups then distributed these clothes at designated locations as per the coordinator's instructions. During the distribution, valuable insights were shared with the recipients on how old clothes could be repurposed into bags or donated to others to reduce textile waste and encourage a sustainable approach. Collaboration with other NSS units allowed the remaining cloth bags to be distributed in their respective areas, culminating in the successful execution of the event.

Time	10.00AM
Number of Volunteers	NSS+NON-NSS

Programme Summary/Details:

On October 1, 2019, NSS student members and volunteers **from VIVA Institute of Pharmacy visited their adopted Navsai village**, approximately 9-10km from Virar Railway Station. Before the excursion, they were instructed by their Programming Officer, Mr. Sachinkumar Pandey, to bring a collection of books and magazines in good condition for donation to the Navsai Library. With great enthusiasm, all college students, including non-NSS members, participated, amassing a diverse collection of 192 books covering educational and recreational subjects. The books were packed in cloth bags and transported to the Zillaparishad Library with the assistance of volunteers. These books were joyfully received by school children, and their beaming smiles were captured in photographs as lasting memories. The volunteers, along with the ZillaParishad Vidyalay teacher, worked harmoniously, laying the foundation for future collaborations, with plans to expand the library to over 500 books by 2020.

Name of the Event **BEACH CLEANING**

Date: 18/01/2020

Time 7.00AM

Number of Volunteers 30

Programme Summary/Details:

NSS volunteers **of VIVA Institute of Pharmacy** successfully completed **Beach Cleaning activity At Bhuigaon Beach** on 18th January 2020. The cleaning was conducted from 7:30 AM to 10:30 AM. The volunteers were instructed to reach Vasai Railway Station at 7:00 AM and from thereon the volunteers reached the location by rickshaw within 20 minutes.

A significant portion of the waste collected during the cleanup comprised polythene bags, food wrappers, and glass bottles. Volunteers diligently removed, handled, and properly collected various types of waste that had been abandoned, dumped, or buried deep within the sands. Some of these wastes proved to be quite challenging to extract, indicating that they had been buried in the sand for an extended period. Surprisingly, what initially appeared to be easily removable polythene bags from the surface accounted for only 5% of the waste, as the majority was deeply entrenched. Regrettably, due to their deep burial, such wastes could not be entirely eliminated. Instances like these heightened the volunteers' awareness of the critical need for beach cleaning. The volunteers were enthusiastic about their participation in the event and eagerly anticipated future opportunities to contribute to similar initiatives.

NSS SPECIAL CAMP

Programme Summary/Details:

2018-19

The NSS (National Service Scheme) 7-day residential camp at VIVA Institute of Pharmacy, which took place from January 29th to February 4th, 2019, at Makwana Farmhouse, Bhatane was a remarkable event filled with activities and initiatives that left a lasting impact on both the volunteers and the local community.

The camp commenced with an inauguration ceremony that included respected figures such as the Sarpanch of the village, the Principal, HOD, Program Officer, and other esteemed members. The daily schedule was structured to promote physical and mental well-being, encompassing yoga sessions, jogging, and a nutritious breakfast. Volunteers actively participated in activities like Shramdan (community service), personal hygiene awareness, guest lectures, sports, street plays, and cultural performances.

Key projects during the camp included constructing dams and cleaning local areas under the title of Shramdan. Notably, three informative lectures were organized, focusing on team management, food adulteration, and the art of street play. The NSS volunteers also extended their support to the local community by arranging a free health check-up camp and dispensing medicines. Additionally, they organized an elocution competition for the children of Zilla Parishad School, awarding certificates and chocolates to the winners.

The camp concluded on a high note, with cultural programs and a rally aimed at raising awareness among the villagers about vital issues such as cleanliness, hygiene, women empowerment, conservation of resources, and education. Street plays were performed on subjects ranging from disease prevention to parental importance and cleanliness. The camp left the NSS volunteers with a sense of enthusiasm and a treasure trove of life skills and values that they could carry forward in their lives, impacting the community positively in the process.

In summary, the NSS 7-day residential camp at VIVA Institute of Pharmacy was a holistic experience that fostered personal development, community engagement, and the spread of valuable knowledge to the villagers. It exemplified the spirit of NSS and the positive impact such initiatives can have on society.
