Strengths, Weaknesses, Opportunities, and Challenges (SWOC):

Strengths:

- i. Affordable, high-quality education for rural students.
- ii. Well-experienced doctorate faculties, with the majority of the staff pursuing Ph.D. degrees. Additionally, some staff members bring valuable industrial experience to the institution.
- iii. Optimal student-faculty ratio for improved education quality.
- iv. A well-maintained library with an extensive collection of textbooks, reference materials, journals, and an e-library.
- v. Active student council that manages events, encourages student-teacher coordination, and fosters participation in curricular and co-curricular activities.
- vi. Engagement in various NSS activities, with active NSS volunteers working in villages, slums, and voluntary agencies for societal betterment.

Weaknesses:

- i. Need for more research publications in UGC-care journals.
- ii. Alumni engagement and financial support for the institute.
- iii. Research commercialization and entrepreneurship.

Opportunities:

- i. Potential for additional Memoranda of Understanding (MOUs) with nearby pharmaceutical industries.
- ii. Possibility of establishing MOUs with hospitals for clinical studies, especially with the presence of M. Pharm Pharmacology.
- iii. Opportunities to create research facilities and incubation centres while fostering an entrepreneurship culture.
- iv. Recently initiated M. Pharm Programme holds the promise of fostering a distinctive and enriching research culture within our Institution

VIVA Institute of Pharmacy

Approved by PCI, AICTE (New Delhi), DTE (Government of Maharashtra),
and Affiliated to University of Mumbai

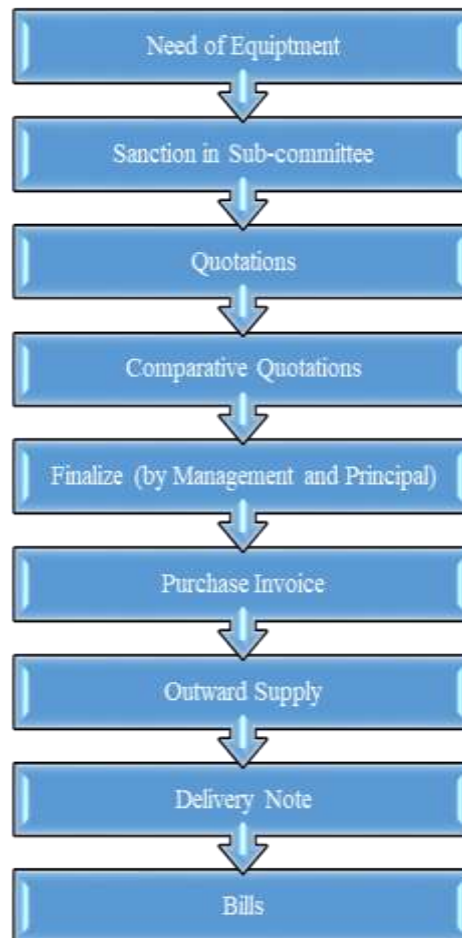

Challenges:

- i. Adapting to the National Education Policy (NEP) and its implementation.
- ii. Securing research grants from government agencies.
- iii. Navigating the complexities of research commercialization.
