7.1.1 GENDER AUDIT

Objective of Gender Audit

- To investigate the differences in gender at the institute level.
- To attain a good gender balance in all areas of institute life decision-making.
- To encourage gender parity on campus.
- To investigate gender-based concerns affecting faculty, students, and administrative personnel.
- To research and identify the contexts, elements, and perpetrators of gender discrimination.

Gender Audit Concept and Methodology

The process of evaluating and verifying the formalization of gender equity in organizations, including programs, facilities, and processes, is known as a gender audit. This technique identifies and analyzes the primary gender biases in an organization. Gender auditing in educational institutions is predicated on the core premise that the views, understandings, and behaviours of staff members, as well as organizational culture and processes, impact male and female students in distinct ways.

The institute conducts a gender audit each year to increase awareness of the need of respecting all genders and to identify areas for improvement in order to provide female students with a more secure on-campus experience. To attain gender equity, girls and women must have access to a diverse range of programs and activities that meet their needs and life experiences. The institute continuously prioritizes the development of each student's whole personality and high standards of performance.

The institute has assigned the Gender Sensitization Cell for developing awareness of gender equity inside the institute.

Objective of Gender Sensitization Cell

1. To attain the peaceful and sustainable growth of every student.
2. Understand the challenges regarding gender equity and discuss the issue with teachers, staff, and students.
3. To raise awareness regarding social systems equality and gender concerns.
4. A guide for involving all genders into all institution activities.
5. To provide good morals in the staff and both male and female pupils.

Pharmacy Week

Pharmacy week has been celebrated in the VIVA Institute of Pharmacy. World pharmacist day is celebrated on 25th September. The institute decided to celebrate this day by having various events in the institute through the virtual model by using the platform of Google meet. These events were celebrated for three days 24th, 25th, and 26th September. The theme for this week is "Pharmacy: Always trusted for your health" developed by FIP. The 1st day was started with the inauguration session which was hosted by Prof. Sushruta Mulay. The welcome speech was given by Prof. Vishakha Thakur and then the schedule for the 3 days was explained by the general secretary of the student council. The events conducted were "Ask Your Grandma", "Pharma housie", "Unscramble the Scramble", "Pharma Heist", "Product Advertisement", "Meme-O-Pharma", "War Of Words", and "Poster Presentation". On the 1st-day "Pharma Heist-round 1", "Ask Your Grandma", "Unscramble the Scramble" was conducted through Google meet. The google form links were also opened for "Meme-O-Pharma", "Product Advertisement", and "Poster Presentation". On The 2nd-day "Pharma Heist-round 2" and "Pharma Housie" were conducted and the google form were closed for "Meme-O-Pharma", "Product Advertisement", and "Poster Presentation" after that sent for analysis of the result. The 3rd and the last day was the last event "War of Words" i.e. debate completion was conducted. Last but not least the valedictory function was organized where Principal Dr Sunita Ogale explained the importance of pharmacy in the whole world. The results for all the events were announced by the host and a vote of thanks was given by Prof. Vishakha Thakur. The teacher coordinators and student coordinators conducted this event very pleasantly and students participated with great enthusiasm. The students took away great knowledge through these events. As events were to test the pharmacy knowledge among the students. These 3 days were full of fun and gaining knowledge to a great extent so everyone enjoyed being part of this pharmacy week.

Report On Self-defense Workshop For Girl Students And Women Faculty Under WDC

Women have long been considered weak, much to the protestations of feminist's everywhere. Unfortunately, this stereotype exists even today in the 21st century. Perhaps that's why violent crimes against women are at an all-time high and there is a need to teach self-defence to women. self-defence is, at best, one part of comprehensive solution to this violence. To continue promote self-defence for women, VIVA Institute of Pharmacy organized a self-defence workshop for the students and staff of VIVA Institute of Pharmacy from 2nd to 4th November 2018. The attendees of the workshop were trained by a student of F.Y. B.pharm- Mr. Mandar Khot, who is black belt from Shotokan karate. The event started at 11.00 AM with the girls getting briefed about certain self-defense techniques, followed by three-hour training session daily. The trainees were oriented regarding the importance to learn self-defense, how to inflict on the attacker and not necessarily beat them up. One does not need to be an expert in martial arts to succeed in escaping an attacker. A women's responsibility is to ensure their safety and protection wherever they are. Also a drama was performed by the first year B. Pharm students which emphasized on women empowerment. The workshop concluded with a song "Mujhe kya bechega rupaiya" by a girl student. The workshop concluded by a group discussion session on various day-to-day incidences of violence against women and how to tackle them by self-defense techniques. The workshop had a very enlightening meaning for everyone. At last but not the least everyone had satisfaction of the workshop with a nice end.
