## **Electoral Literacy Club, VIVA Institute of Pharmacy :** **Fostering Informed and Responsible Voters**

The Electoral Literacy Club is an initiative dedicated to promoting active engagement in the democratic process amongst students. Through diverse and engaging activities, the club aims to instill a deep understanding of electoral rights and procedures, empowering students to become informed and responsible voters. This initiative builds upon the institute's established commitment to electoral literacy and responsible electoral participation. The Electoral Literacy Club is a platform to engage students through interesting activities and hands-on experience to sensitize them on their electoral rights and familiarize the electoral process of registration and voting. Electoral literacy and performance of electoral duties had always been undertaken by the institute.

**Objective of the club:** The objectives of the club are as follows:

- To raise awareness within the student community regarding democratic rights, including the exercise of voting privileges in elections.
- To educate juvenile adults on the process of registering for their voter identification cards.
- To conduct awareness programs in the institute as well as in the society mainly emphasizing the importance of voting.
- Collaborative initiatives with local communities to spread awareness about voting rights and responsibilities.
- Educational workshops delving into electoral processes, candidate selection, and responsible voting practices.
- Voter Registration Guidance : Recognizing the importance of early engagement, the club provides comprehensive guidance to eligible students on voter registration procedures, ensuring their seamless inclusion in the electoral process.

## Benefits of the Electoral Literacy Club:

The ELC plays a vital role in shaping informed and engaged students/citizens:

- **Empowers students:** By equipping them with the knowledge and skills necessary to exercise their democratic rights and responsibilities.
- **Strengthens democracy:** By fostering active participation in the electoral process, contributing to a strong and vibrant democratic society.
- **Promotes civic engagement:** By encouraging students to become informed and involved citizens, contributing to positive social change.
