## Quality Policy

VIVA Institute of Pharmacy is committed to evolving as a leading educational institution by providing high-quality education, fostering research, and nurturing the overall development of students. This policy document outlines the principles and guidelines that will help the institute achieve its vision and mission.

### 1. Educational Standards

**Quality Resources:** Provide state-of-the-art laboratories, libraries, and learning materials.

**Qualified Faculty:** Employ highly qualified and experienced faculty members to deliver quality education.

### 2. Professional Collaborations

**Industry Partnerships:** Establish and maintain collaborations with pharmaceutical companies, research institutions, and healthcare organizations.

**Guest Lectures and Workshops:** Organize regular guest lectures, workshops, and seminars with industry experts.

**Internships and Placements:** Facilitate internship opportunities and job placements for students in reputed organizations.

### 3. Ethical Values

**Integrity and Honesty:** Promote a culture of integrity and honesty among students and staff.

**Professional Ethics:** Ensure that students understand and adhere to professional ethical standards.

**Social Responsibility:** Encourage students to participate in community service and healthcare initiatives.

#### 4. Academic and Research Excellence

**Research Opportunities:** Provide students and staff with opportunities to engage in research projects.

**Publications and Conferences:** Encourage and support the publication of research findings in reputed journals and participation in conferences.

**Academic Support:** Offer academic support through mentoring and tutoring.

#### 5. Career Development

**Skill Development:** Equip students with the necessary skills to succeed in their professional careers through workshops, training programs, and hands-on experience.

**Career Guidance:** Provide career counseling and guidance to help students make informed career choices.

#### 6. Dynamic Pharmacist

**Holistic Development:** Focus on the overall development of students, including soft skills, leadership qualities, and ethical values.

**Continual Learning:** Promote a culture of lifelong learning and professional development.

By adhering to these policies, the VIVA Institute of Pharmacy aims to achieve its vision of becoming a leading learning institute, providing essential, skillful, and value-based education. The institute is dedicated to fostering a conducive environment that uplifts the full potential of curious minds, preparing them to meet the challenges of the pharmaceutical and healthcare industry for the benefit of society.
